

THE GREAT RECALIBRATION MARK 11:15-17

There is a danger in distractions; that we miss God's best for our life.

Angry Jesus confronted the distractions in the temple in Mark 11:15

Many distractions have been removed from our lives

Corona 2020 – The Great Recalibration

The great shut down of 2020 presents an incredible opportunity to rebuild our lives in a new way, to introduce habits and recalibrate our thinking in a Godly way.

Habits can take a number of weeks to form. Long enough to establish healthy spiritual disciplines and habits in our lives.

Life Group Questions

During this season of seeming chaos, it would do us well to take a moment and reflect on the distractions that have crept into our lives that have replaced the most important things.

Investing in Relationship with God and with People is our greatest calling. Often this gets sidelined because of distractions.

What have been your distractions in your life before Covid19 hit?

What are some healthy habits that you can introduce into your life at this time?

This week, specifically, what three things are you going to implement to do to introduce these healthy habits into your life?

What accountability steps are you going to make to ensure that you follow through on these commitments?
